"SKIN OF OUR TEETH"

AT GOULD FEB. 16 AND 17

On Friday and Saturday evenings, the Gould Academy Drama Group, under the direction of Mrs. Carol Fiske, will present the humorous comedy, "The Skin of Our Teeth" in the school's William Bingham Auditorium. The public is cordially invited to attend this play that will delight the whole family. Show time is 8:00 o'clock each night.

GOULD HOLDING WINTER CARNIVAL FEB. 18, 19 AND 20

Gould Academy will hold its annual "Old Fashioned" winter Carnival this week end, Feb. 18, 19 and 20. Included in the many festivities are traditional snow sculptures with each dormitory competing against each other using this year's carnival theme, "The Winter Olympics". In addition, a carnival King and Queen will be crowned at a giant night bonfire held at the conclusion of a night cross country race.

On Sunday night a Carnival Ball will be held in the William Bingham Gymnasium followed by a mystery event in the wee hours of the next day. Monday is a holiday from classes and will start with a faculty student brunch in the Gehring Hall dining room followed by many different sporting events including a "dog" sled race using students for pulling power.

Another event on this popular week end is the Gould drama group's production of "The Skin of Our Teeth" held in the Bingham Auditorium, Friday and Saturday nights. The public is cordially invited to attend the play, view the snow sculptures and the other events of Gould's winter carnival.

at 1 p. m. and continuing to closing time at 5 p. m.

At 3 p. m. students under the age of 18 are invited to participate in the annual cherry pie eating contest which will be held in the meeting room. The contest is open to the first ten students who enter and sign their name on the entry form.

For further information, please call the office of the Bethel Historical Society 824-2908.

ANNUAL VARIETY SHOW AT

LOCKE MILLS FRIDAY, FEB. 24

On Friday, Feb. 24, the Greenwood Town Hall will be the scene of the annual Greenwood Recreation Committee's variety show. This year's fare includes music, dance, magic, comedy and a demonstration of the martial arts. Show time is seven o'clock.

Under the direction of Gary Fuller this event has offered local family entertainment for five years. It is one of the major fund raising events that allow the committee to offer recreational activities to Greenwood residents, young and old.

3rd ANNUAL STAN FOX CUP

CROSS COUNTRY RACE, FEB. 22

The Third Annual Stan Fox Cup Cross Country Ski Race will be held on Wednesday, Feb. 22, 2 p. m. at the Sunday River Inn Ski Touring Center. Sponsored by the Bethel Outing Club and the Sunday River Inn S. T. C., the event includes mass start 3 Km and 5 Km "fun runs" for all ages. There will be an award for the overall male and female winners of the 5 Km races with token prizes of the event for every finisher. Entry fees are to be charged. The race day is named after Stan Fox who became a legend of nordic skiing in the area in his youth. For further information contact Don Angevine at 824-3343.

MIKE KELLY WINS FIRST HOISINGTON CHALLENGE

Mike Kelly of Bethel emerged the winner of the first weekly running of the Hoisington Challenge at Sunday River Ski Touring Center Sunday afternoon. Kelly skied the 6.5 kilometer course in 24:54. Finishing behind Kelly were Dick Hoisington (25:55), Julie Hastings (29:05), Paul Morton (30:52), and Sonny Hastings (35:01). The Challenge will be run every Sunday at 1:30 p. m. for the rest of the season.

Other races on the schedule at the Touring Center are The Stan Fox Cup, Wednesday, Feb. 22 at 1:30; The Sunday River Langlauf, Saturday, March 10, and The April Fool's Pole, Paddle, and Paw Saturday, March 31.

Due to the lack of mail service Monday, Feb. 20, because of the observance of Washington's Birthday, The Citizen requests ALL contributors to submit material for the Feb. 23 issue as early as possible.

Directors' Meeting

The S.A.D. 44 Board of Directors met in regular session on Monday evening of this week in the Telstar Library.

The Board approved the designation of Andrew Aron as a 52 week employee. Home instruction was approved for three elementary students in Woodstock.

The Directors approved the following substitute teachers: Susan H. Glines, Levi Brown, M. Matthew Brooks and Belinda J. Poor. Norman F. Rust was approved as a substitute custodian.

Any action on the appointment of spring coaches was tabled until the March 12 meeting of the Board.

John Emery and Pam Berry were appointed as teaching principals at Andover and Woodstock Elementary Schools respectively, for the remainder of the 1983-84 school year. Ann Holt was appointed as Winter Cheerleading Coach at Telstar Regional High School.

The Directors established minimum enrollment figures for classes at Telstar Regional High School. At least eight students must be enrolled in a class for it to operate and advanced placement must be 5% for the grade enrollment.

It was the decision of the Directors that the FY 85 S.A.D. 44 budget be constructed to include six additional certified people (four high school, two elementary), three additional aides and an assistant principal/athletic director at the Middle/high school.

The following were approved for the Spring Term '84 Adult and Community Education program: Paul Beaton, Blacksmith; Julie Daye, Toy-making; Sally Downing, Chair Caning; Catherine Calli, continued on Page Four

REP. MILLS' "CITIZEN" HOUR IN NEWRY SUNDAY, FEB. 19

Rep. Jeff Mills will hold a Citizen Hour in Newry on Sunday afternoon, Feb. 19, from 3 to 4 at the home of Greg and Robin Fraser on Rt. 26 in Newry.

Anyone who would like to receive information about current legislative activities or who wishes to talk with Rep. Mills about constituent matters is invited to stop by.

Magalloway & Wilson's Mills

Alice Harvey, Corres.

The Ladies met at the Hall on Tuesday. Phyllis Littlehale of Berlin and Clarice Corkum of Stark, N. H., also attended. Plans were discussed for the Grange supper on Saturday evening.

Phil and Carlene Hinkley were in South Paris on Tuesday. Mark and Alice were in Rumford one day last week. They visited with Alice's sister, Karen, Clohosey and Sylvia Mercier.

Eleanor was in Colebrook at the doctor's for a check up on her broken arm. The cast has been removed and she is now undergoing therapy.

Donald and Donna Glover and daughter, Liz, were in Littleton on Friday. Liz remained for the week end at the Endersons and returned home on Sunday afternoon.

Robert Glover was in Machias on Friday for a college interview. He has been accepted at the University of Maine in Farmington.

Alex and Emmy Nedeau and boys of Milan visited with Mark and Alice, Sunday afternoon.

Greenwood City

Mrs. Colista Morgan, Corres.

(This week I tried my snowshoes again. First I took a deep breath of the winter air then buckled on my snowshoes. I moved out back and up the rise to the Bulldozer Road. I headed for the hemlocks dusted with snow and between the simplicity of black and white, tree trunks and snow. I was a part of the stillness. It was so lovely to see the sunbeams come and go. The lace on every shrub was diamond dust. All these things had turned this into a winter wonderland.)

Wearing their tiny feathered caps were the chickadees among the hemlocks.

Here and there, tucked in between the roots and boulders gray, were the Christmas ferns, and snow bolls were in the crooks of bushes. I moved leisurely enjoying it all. Then I came to where the ice-petals were a sparkle on a tiny frozen stream.

Just beyond I noticed a wiggly line; a mouse trail. Over and over I found the tracks of squirrels.

I stopped again to observe the winterized creek bed. The snow with its crystal coat enhanced the beauty of the moving water.

By the pasture fence the posts were decked in clown hats, while snowmen small and snowmen tall were everywhere. The fields that were bedded down with snow reminded me of blankets tucked about their ears.

I would have missed much of this without my snowshoes. I read just recently that "Snowshoes were an early and important discovery, rivaling the wheel in importance for some cultures." Without them the ancestors of the American Indian would have been unable to migrate across the land-bridge

OXFORD POMONA GRANGE

Oxford Pomona met with Oxford Grange as host Feb. 7 with a bountiful dinner being served at 6:30 which 56 members partook of.

Several sick members were reported and cards were signed for Irene Hutchinson and Edna Briggs. Carl Brooks was reported as gaining well and able to walk around the house now.

The chairman of the legislature committee reported on Medicare possibilities in the future. Nestor Tamminen said the benefits are being reduced yearly and feared this would be cancelled in years to come.

Three of Pomona's good members were added to the honorary list because of being incapacitated or in nursing homes. It is hoped they may be able to attend some time occasionally. They are missed.

It was voted to give \$25 to the State Junior Group for prizes at that level in the State Grange session, for next year.

Lecturer Scot Lewis put on the following program, Song, Heart of My Heart; Opening thought; Address of welcome, Robert Lewis; Response, Gail Butterfield, The Deputies Lewis and Myrtle Bisbee were escorted to the Master's station by the assistants where the Master, Louis Marcotte, presented them deputies' sashes from Oxford Pomona, Lewis Woodworth rendered two solos, Whispering Hope and Beautiful Ohio, The Lecturer read a story while the audience provided the sound effects. Nestor Tamminen told a story. Let Me Call You Sweetheart was sung and the closing thought read.

Hazel Conant, Myrtle Bisbee and Francis Conant were put on a committee to obtain articles for State Grange auction to be held in July.

1984 BUSINESS PROFILES REVIEW KEEP AND USE

"READER ADS THIS SECTION PREPARED AND COPYRIGHTED 1984 BY METRO-NEWSFEATURES, INC. The opinions expressed in the following advertisements are purely the views of the Editors of the Business Profiles Review and not necessarily those of this newspaper."

Currier Sales and Service

This progressive truck dealer is considered by many to be the most outstanding dealer in this entire area. CURRIER SALES AND SERVICE is located on Berlin-Gorham Road in Gorham, phone 466-2757. They are your authorized dealer and service headquarters for the famous International and GMC trucks, as well as Manac logging trailers, the best trailer on the market.

Here you will find a unit just suited to your needs.

The management here has made it a point to hire only fully qualified mechanics who can handle any service or repair jobs. You will find that they have one of the best service departments in the area and keep a large stock of parts and accessories on hand for your convenience so you don't lose valuable time off the job.

In this day and age with so many firms offering trucks for sale, it is hard to select a dealer whom you know will deal with you fairly and honestly.

The editors of this 1984 Business Profiles Review suggest to our readers who are contemplating buying a new heavy duty or light duty truck including pickups or a good used truck, that they see the friendly people at CURRIER SALES AND SERVICE for a better buy on a better truck from men who they can trust. The management is to be complimented on their efforts to offer the people of this area honest and fair truck sales and service.

Judson Roofing

Many fine homes within a wide radius of this area have had their roofing done by JUDSON ROOFING, located at RFD 1 in Berlin. Phone collect 752-5605. They have gained a reputation second to none and afford their clients the very best in roofing work, including flat roofs, tar and gravel, smooth surface, and double coverage.

The owner has a background of years experience and is a craftsman of unusual skill and ability. Only the best of materials are used on all jobs contracted for, and the work, when completed, is truly perfect.

Regardless of whether you are remodeling or building a new structure, this is the firm to see

for all roofing work. You will find them just as courteous on a small job as on a large one. They do the same expert work and will stand behind their workmen to assure your satisfaction.

The compilers of this 1984 Business Profiles Review are pleased to endorse the professional policies of this contractor to our readers.

Tremaine Opticians

Finally! An optical dispensary where you can really get excited about selecting eyewear. Not long ago, an optical shop was considered a necessary evil, a place where one visits after being ordered by their eye doctor to fulfill a need. Today, TREMAINE OPTICIANS has changed all that with fashionable eyewear. At TREMAINE OPTICIANS, with two locations, 157 Main Street and 60 Pleasant Street

in Berlin, phones 752-3382 and 752-2566, you can shop for designer eyewear, coordinating fashion with function... from the practical to the extravagant, featuring quality manufacturers.

At TREMAINE OPTICIANS, you can select from hundreds of high fashion, high quality frames and be assured of a perfect fit and exacting lens fabrication. The opticians here are experts and their

pride shows in every pair of eyeglasses they dispense. They offer expert repair and adjustments and will be happy to discuss your optical needs.

We, the editors of this 1984 Business Profiles Review, commend this dispensary on their expert, knowledgeable guidance and on their fashionable, quality eyewear.

La Roche Chevrolet Buick

See Us For Olympic Size Savings During the Berlin Winter Fest

Paul La Roche — Owner

LA ROCHE CHEVROLET BUICK is located at 318 Glen Avenue in Berlin, phone 752-3700. They are the dealers for the popular Chevrolet and Buick automobiles. Chevrolet is the official supplier of cars and trucks for the 1984 Winter Olympics.

The automobile buyer of today is a more critical purchaser than the one of years past. The remarkable progress in engineering and construction year after year in this industry has created an enormous market for the best in transportation and comfort at the lowest price. When you think economy, ease of driving, comfort, and practicality, to save your hard-earned dollars, think LA ROCHE CHEVROLET BUICK first.

People of this vicinity will find it to their best interest to visit them and see their new line of 1984 Chevrolets and Buicks.

The Service Department of this dealer can handle anything from the smallest repair to completely

rebuilding or overhauling your car. Also, including a complete body, LA ROCHE CHEVROLET BUICK has a complete stock of good, reconditioned cars for your convenience.

As writers of this 1984 Business Profiles Review, we completely endorse the honest policies of this fine dealership, and suggest you make LA ROCHE CHEVROLET BUICK your new car headquarters.

connecting Asia with North America.

They were never used by the Eskimos; too much of a burden on the ice-packed snow of the tundra.

French colonists learned much from the Indians; using snowshoes for raids on the English garrisons.

After the Battle on Snowshoes in the Adirondack Mountains in 1758, the English came to know their value and they then became a part of the troops' equipment.

There are many kinds of snowshoes. The most popular of which are Bearpaw, Michigan, Maine or Olgonquin, Alaskan or Pickereel, and Ojibway.

I have enjoyed meadows in the past but I like the solitude of the woods, when I can go.

A small pleasure but it adds to fun of discovery. I retraced my trail homeward.

"The woods have been touched by the wintery air. And I alone know the peace, the beauty that is there; For my walk took me far, far out into the cold. Where winter spread her treasures for me to hold."

Valentine Day is this week. What a fun time it used to be at school. There was a Valentine box, homemade ice cream, cake and games.

"All the beautiful sentiments in the world weigh less than a single lovely action." — James Russell Lowell.

To Abe Lincoln whose birthday is at the beginning of the week there could be no better tribute than that written by William Jennings Bryan. "Abraham Lincoln is one of America's immortals. He grows in the affections of the people with each passing year. He was a product of our civilization, reared among the people, and their friend. He has seldom, if ever, been surpassed in simplicity of expression and force of argument. He was wholly devoted to his

The goals and activities this week are centered around the Valentine theme of friendship. The group is working towards a better awareness of others, learning to put feelings into words, co-operating in large and small group activities, and considering others with kindness and courtesy. Special books and songs are being listened to and sung to help promote the meaning of "friends".

The "Star of the Week" is dimpled Ramsey Bean of Bethel. He is sharing with all at the Center some of the things he likes the best, the information being written down on a poster made by Ramsey, Jessica, Mark, and Travis.

M & M Auto Body Shop

Robert Morrisette — Owner With 30 Years Experience

The personnel at this firm are specialists in body and fender work as well as auto-painting. The place to have your car body rebuilt or painted is at the M & M Auto Body Shop, located at 46 Hillside Avenue in Berlin, phone 752-2092.

The owner of this firm fully understands auto body and fender repair work. Whether it is a small or a large job, you will receive the same courteous treatment and professional workmanship.

This is one of the best known auto body repair shops in this sec-

tion because of its excellent workmanship and service, and years of experience.

Most insurance policies now permit you to choose the repair shop you like best. Select them to do your work. Their body work as well as auto painting is among the best done in this section. They have the "know how" that puts their work in a class by itself.

The narrators of this 1984 Business Profiles Review recommend you see the M & M AUTO BODY SHOP for all work of this type.

Raymond A. Holt Well Drilling

With 20 Years of Expert Service

Where others have failed, RAYMOND A. HOLT WELL DRILLING, located at RFD 1 East Side River Road in Milan, Phone 449-3488, has come in and been able to effectively find water at a reasonable cost.

Drilling a good, long producing water well is not a job for the amateur. The knowledge and experience behind this well driller will prove valuable after you note that the well he has drilled has produced reliably, there have been no problems, and that a large enough pipe was installed with a strong pump that provides the

amount of water you need. They use late model equipment and trained assistants who also understand their work, and you can be assured that the job will be completed in the shortest time, at the least expense, and with the very smallest damage to your property.

The editors of this 1984 Business Profiles Review make public our recommendation of this well driller for his fine work, and suggest our readers remember to contact RAYMOND A. HOLT WELL DRILLING whenever they need a good well at low cost.

West Paris

— Mrs. Marian Chase, Corres. —
The week end was a foretaste of Spring, and it was very welcome. Did everyone get out the sap buckets and spiles? Eveline had a 10:30 a. m. appointment at Norway Saturday and found the road glassy and slippery so drove carefully. Sunday, Eveline and Joe Vatcher and Doris and "Root" Lawrence had dinner out, then went for a ride to watch the ski slopes. Many people old and young were enjoying themselves. Harlan Abbott and his father-in-law, Earl Newton, went to Dresden fishing Sunday. Mr. Newton took his three year old grandson and the was a very happy and excited youngster. When he comes to visit Harlan and the Mrs. he will point to the pond and say "fish pond". Maybe he will be a "sportsman" later.

Norman Millett, Brenda and Stovic, had supper with "Root" and Doris Lawrence Monday night and Sherry Millett had lunch with them Tuesday. Other callers were Lloyd Huntley, Richard Felt, Joe and Eveline Vatcher, Norman, Arlene and Jo-Anne Abbott. The Abbotts also called on the Vatchers and brought Joe two pair of woolen socks or leggings hand knit by Arlene. Jimmy Abbott is gaining and its good to see him ride out a bit on the nice days. He says it has been a long winter, inside for so long. Fred Oja has been hauling the pulp cut by Jack Newmeyer's across the road and it is interesting to watch him load his big truck. The school children are looking forward to a vacation from Feb. 17-Feb. 27. Hope it doesn't storm everyday. Eveline is looking forward to her 39th birthday but isn't celebrating with "Uncle" George Washington as she doesn't like to lose any days off her years. Have a good holiday week and drive carefully. West Paris Firemen's Auxiliary met Tuesday evening at the fire station. The firemen invited the women for a lobster and beef stew supper. After the supper the annual meetings were held. Offi-

East Stoneham

— Gladys Kilgore, Corres. —
Mrs. Carol Buck and family and Mrs. Sharon McAllister and family attended the birthday party given to their mother, Mrs. Edith Holt at her home at North Waterford.

Mrs. Edith Holt of North Waterford visited friends here Friday. Mrs. Betty Farwell and friend of Norway visited on Friday. It was nice to see her again.

The state nurse was in town Tuesday. Mr. and Mrs. Walter Heino of Melrose, Mass., have been visiting her sister, Mrs. Geneva Millett. Mr. and Mrs. Higgins and daughter, Cathy Grover, were supper guests of Mr. and Mrs. Dwight Grover over night last week. Cathy was given a shower in honor of her approaching marriage.

There will be a supper at the Church Vestry, Thursday. Arlene Merrill and Eleanor Nelson have charge of it.

Persons elected for the Auxiliary are: President, Diane Todd; Vice President, Kim Imman; Secretary, Connie Bacon; Treasurer, De De Chase. On Sunday, March 4, the Auxiliary will sponsor fingerprinting for children from kindergarten through grade 12 at the fire station, 2 p. m. to 4 p. m.

Cornie McCullough went snowmobiling with his Uncle Joe Vatcher and stayed for supper. He got to drive the cat on the big field at "Big Rock". He is leaving for Germany soon and will miss his Uncle Joe.

Friends of Judith Ellingwood Getchell will want to know that she has moved and her new address is: Mrs. Judith Getchell, 360 Northgate Drive, No. 6, Manteca, Calif. 95336.

Mr. and Mrs. George Marston, Hartford, called on Mrs. Liz Rowe on Sunday.

Mr. and Mrs. Nestor Ruokola and girls skied to Greenwood and back on Sunday.

Amy and Adam Cram, Oxford, spent the week end with their grandparents, Mr. and Mrs. Stan Cram.

West Paris Historical Society will meet on Monday, Feb. 20, for a 6 p. m. pot luck supper with a business meeting and program to follow.

BETHEL SENIOR CITIZENS MET WEDNESDAY, FEB. 8

The Bethel Senior Citizens met at the Sudbury Inn Wednesday, Feb. 8, with 66 members and three guests. At the birthday table were Frances Bennett, Marjorie Cummings, Barbara and Elden Hathaway, Lindley Wieden and guests. The cake was made by Leona Flint and furnished by Eva Schools and Mary Ladd.

After the Lord's Prayer and Salute to the Flag, Lindley Wieden gave an enthusiastic report of the trip to Livermore Falls to the Western Older Citizens Council and expressed the hope that the Bethel Senior Citizens could be more active with the group in the future.

Harold Powell spoke on proposed future trips and plans were discussed for a baked bean old-fashioned supper to be held at the Congregational Church on a Saturday night in March.

Muriel Paudi asked for donations to the Edgeview Carnival April 1, 2-4.

Thursday, Feb. 16, Sen. Mitchell will speak on increased Medicare coverage at the Multipurpose Building in Lewiston at a Medicare hearing.

Carolyn Brooks asked that plastic Maxwell House coffee covers be saved for the Legion Auxiliary.

Russell Thompson spoke on proposed upcoming bus trips and announced his future retirement due to ill health.

Paul Chute and Helen Hubbard from Stephens Memorial Hospital spoke on Medicare changes, health costs, changes in hospital policy and health care. It was recommended that the Self-Care for Senior Citizen Program Course offered by the Bethel Area Health Council be seriously considered as

North Waterford

— Mrs. Jo Sanderson, Cor. —

A wedding of local interest was solemnized at Lake Tahoe, Calif., Aug. 6, 1983, when Laurie Millett, daughter of Mr. and Mrs. Curtis Millett, of Waterford, and Jeff Hunt, formerly of Oxford were married.

Mrs. Iva is a patient at a Norway hospital, recuperating from surgery.

Clyde Stanton Jr. was in Bridge-ton Tuesday for chest x-rays. The Knight Riders met Feb. 14 for their regular meeting at the Stoneham Fire Station.

Chester Osgood shoveled off the Coopers trailer roof Wednesday.

Stone-Smart Auxiliary #82 welcomed a new member, Margaret Jones into the Unit Wednesday night. They are now 100% plus one. The session was preceded by a baked bean supper and happy hour. It was voted to take fruit baskets to eight shut-ins, members of the Auxiliary.

Several members brought in Grammy Squares to make lap robes which will be donated to the Veterans Administration Hospital at Togus. Mrs. Conant and Jo Stanton volunteered to put them together for two robes. The Unit all voted to send money to the Togus coffee fund.

Dorothy Bailey reported that there were coupons enough for the coffee maker and she had sent for it.

Past Department President Myrna Stevens reported on Girls State. She is now waiting for a list of eligible candidates from the local high school. Names will be presented at the next meeting in March. The next meeting will be the 65th birthday party of the American Legion. The supper will be put on by the men.

An alternative to hospital costs and any means of staying healthy is definitely the best policy.

A delicious dinner of Salisbury steak, baked potatoes and peas was served after the blessing by Ronald Stevens.

The next meeting will be at the Congregational Church March 14. Program to be presented by Pat Pratt and hearing dog.

STYLES OF FURNITURE — WOODSTOCK HISTORICAL SOC.

Many collectors and historians might appreciate a brief guide to styles of furniture, many of which turn up in historical society collections. So consider the following supplied by the Woodstock Historical Society:

Jacobean—very straight furniture occasionally decorated with well-turned, rounded orbs.

Queen Anne — characterized, in chairs, by a rounded leg and curved back.

Chippendale—most often denoted by the cabriole or ball and claw foot.

Sheraton and Hepplewhite — light, graceful furniture with straight legs. The reed and shield are common designs for this form.

Empire—from the style set by Napoleon. The Egyptian motif is most common. Marble is often used on table-tops.

Victorian—There are many Victorian styles, but generally the form is heavy and ornate, usually over-stuffed. The best pieces are intricately carved.

Eastlake—the first machine-produced furniture. There is considerable attempt at relief.

Grand Rapids—A mail-order catalog form. Straight and simple but bulky. Often oak.

The Woodstock Historical Society has an excellent collection of furniture from the period of the 1870's when the Woodstock Museum was presumably built. Plan to visit the museum next summer and examine its offerings.

The last meeting of the Society featured Richard Fraser's collection of school photos. It was supplemented by items brought by Eva Billings Twitchell and Mary Stearns Billings. Curator Larry Billings spoke briefly on Woodstock, England. President Annie Crockett chaired the meeting.

SPRING SKIING OUTLOOK SUPER AT SUNDAY RIVER

Sunday River Ski Resort has proclaimed March as "Learn-to-Ski Month." The western Maine area has received some six feet of natural snow this season and area officials are certain skiing will continue through the month of April.

"Spring skiing in Maine is phenomenal and it's the perfect time for a person to learn to ski!" exclaimed Les Otten, president and general manager of Sunday River.

"It's warm! The sun does some great things," he smiled, "tans and bathing suits!"

Special learn-to-ski package rates are offered throughout the spring. And Sunday River guarantees new skiers will learn to ski in one day or their money will be refunded.

And if the skier hasn't learned to ski in one lesson, he or she can sign up for a second lesson at no cost.

Class IV Boys: 1. Dean Angvine, Bethel.

Class III Boys: 1. Carl Beckstrom, Rumford; 2. Shane Stewart, Rumford; Alt., Brant Remington, Bethel.

end of the 1984 session in April. A Feb. 13 meeting of the Commission was cancelled as no further discussion of the report was deemed necessary.

Members of the Headwaters Alliance of the Sunday River plan to continue attending meetings of the Commission when they recommence, raising questions about material on which the report is based and continuing to present evidence as to why burial of nuclear waste is a poor option, particularly in the Riley area. A newsletter is being prepared for those who are interested in more detailed information. Those interested in receiving the newsletter should contact Robin Fraser at 824-3361.

A benefit dance with live music will be held on Friday, Feb. 24 at 8:30 p.m. to raise money to support the effort to keep Sunday River Valley from becoming a nuclear dump site. Old-time contra dances, square dances, waltzes, polkas and fox trots will be played, and squares and contras will be taught before each one is played for those not familiar with them. A donation will be sought. The dance will be at the West Bethel Grange Hall on Route 2, West Bethel. Refreshments will be available.

Description of Project: The proposed project consists of: (1) a new 350-foot long, 35-foot high concrete gravity dam with wing dikes on its abutments; (2) a new 550-acre reservoir with a normal maximum water surface elevation of 700 feet m.s.l. and usable storage capacity of 275 acre feet; (3) a new powerhouse located at the south dam abutment containing three turbine-generators within a total rated capacity of 4.8 MW with a normal tailwater elevation of 676 feet m.s.l.; (4) a 1,500-foot-long, 34.5-kV transmission line and; (5) appurtenant facilities. The project would produce up to 29,400,000 kWh annually.

k. Purpose of Project: Energy produced at the project would be sold to Central Maine Power Company.

l. This notice also consists of the following standard paragraphs: A6, A7, A9, B, C, D2.

m. Proposed Scope of Studies under Permit: A preliminary permit, if issued, does not authorize construction. The Applicant seeks issuance of preliminary permit for a period of 36 months. The work to be performed under this preliminary permit would consist of gathering necessary data, completing surveys and environmental studies, obtaining necessary Federal, State and local permits, and preparing necessary documentation for the Commission's licensing requirements. Applicant estimates that the cost of work to be performed under the permit would not exceed \$125,000.

A6. Preliminary Permit: No Existing Dam—Anyone desiring to file a competing application for preliminary permit for a proposed project where no dam exists or where there are proposed major modifications must submit to the Commission on or before the specified comment date for the particular application, the competing application itself, or a notice of intent to file such an application. Submission of a timely notice of intent allows an interested person to file the competing preliminary permit application no later than 60 days after the specified comment date for the particular application.

A7. Preliminary Permit—Except as provided in the following paragraph, any qualified license, conduit exemption, or small hydroelectric exemption applicant desiring to file a competing application must submit to the Commission on or before the specified comment date for the particular application, either a competing license, conduit exemption, or small hydroelectric exemption application or a notice of intent to file such an application. Submission of a timely notice of intent to file a license, conduit exemption, or small hydroelectric exemption application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular application.

In addition, any qualified license or conduit exemption applicant desiring to file a competing application may file the subject application until: (1) a preliminary permit with which the subject license or conduit exemption application would compete is issued, or (2) the earliest specified comment date for any license, conduit exemption, or small hydroelectric exemption application with which the subject license or conduit exemption application would compete; whichever occurs first.

A competing license application must conform with 18 CFR 4.33 (a) and (d).

A9. Notice of Intent—A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, include an unequivocal statement of intent to submit, if such an application may be filed, either (1) a preliminary permit application or (2) a license, small hydroelectric exemption, or conduit exemption application, and be served on the applicant(s) named in this public notice.

One copy of an agency's comments must also be sent to the Applicant's representatives, Kenneth F. Plumb, Secretary.

COMPUTERS AND DISCOVERY MARK NEW NURSERY SCHOOL

The Learning Center ("TLC") has been offering hands-on opportunities for four and five-year-olds to learn with computers, bake biscuits, and create a host of angels in the snow. Kay Chadbourne opened the licensed nursery school six weeks ago at the Chadbourne home on Paradise Road. It meets Monday and Wednesday mornings.

Unique in its size, limited to five children, TLC emphasizes discovery and individualism. The pre-schoolers use two computers to solve problems, draw pictures and write letters to their grandparents. Knowing their letters and numbers has made it easy for the children to adapt to the typewriter-like keyboard.

The children prepare their own snacks and pour their own fruit juice. Nutrition is important to Mrs. Chadbourne, who holds a masters degree in home economics.

TELSTAR MIDDLE SCHOOL JV GIRLS' BASKETBALL

The Telstar Middle School junior varsity basketball girls ended their season with four wins and three losses. The biggest win was with Satopoe by 14 points. They lost two of their games to a real strong and older team, Berlin. The girls did an excellent job this season.

All played really hard and strong. The girls really played well together as a team and worked a lot on skills at the beginning and during the season. And had seven games they had time to play in. Managers for the season were Kelly Bartlett and Janina Remington. Tri-Captains for the season were Buffy Taylor, Brenda Taylor and Mary Beth Hammon. Top scorers were Brenda Taylor, 24 points; Buffy Taylor, 22; and Becky Witter and Mary Beth Hammon each with 11 points.

Girls who played for the '83-'84 season were Karen Vitalla, Debbie Barker, Angela Martin, Audrey Thibodeau, Jennifer Hutchins—2 points, Rene Tuttle, Janet Coillide, Beth Hill, Stacy Brown, Jennifer Stowell—2 points, Jenny Martin—2

from South Dakota State University and has taught parenting classes for S.A.D. 44 Adult Education. She feels the parents value high-nutrition, low sugar snacks for their children. "The boys and girls love measuring and mixing (often with their hands). They were particularly proud of the heart-shaped biscuits they made for Norm Clanton of the Bethel Police Department when he talked to them about safety."

The children have enjoyed listening to themselves on tape, using a sewing machine, making their own play dough, sledging, going through obstacle courses, and acting out songs and stories.

Iva Fox had supper with Linda Allen and family Friday night.

Roswell Allen called on Hazel Allen, Sunday.

Our minister's father, Mr. Morrison, is quite ill. Joe Moody filled in for our minister, Don Morrison. A nice service with over 50 out. Flowers given to the altar was Dot Bell from Gill (his wife for Valentine's).

Rotary Club News

The Bethel Rotary Club met at the Sudbury Inn at 12 noon, Feb. 14. Les Otten was the program chairman at the meeting. He gave his own presentation which was heritage oriented. The progression through life of his father and the family life structure was very interesting. Mr. Otten was born in Germany and was subjected to the discrimination that thousands of others experienced during the Nazi regime prior to the close of World War II. The determination of many to survive and prosper in spite of adversity was well described by Les's talk.

The program chairman for next week is Lennie Shaw. His guest speaker will be Dr. June Ross-Miller. The topic of her presentation will be "Children and Optometry". Dr. Miller joined Dr. Shaw in 1982. She has added vision therapy services as well as expanded pediatric care and works with special needs children and adults. Dr. Miller has been commendably cited for excellence of achievement in pediatric optometry. She is licensed to practice in Maine and New Hampshire and is a member of several professionally associated

organizations. Dr. Miller resides in Berlin, N. H., with her husband and four-month-old daughter. As a reminder, anyone interested in hearing speeches or presentations of Rotary guests are invited to attend. The Club meets at 12 noon on Tuesdays for lunch, etc.; visitors should arrive by 12:30.

Guests joining with the Club this week at its Tuesday meeting were: Mike Thurston, Rumford; Ira Pitcher, Lewiston/Auburn; and Richard Packard, Laguna Beach, Calif. Mr. Rotary Information, Romeo Baker, gave his usual glib presentation on the four avenues of Rotary Service. Good job, Romeo.

The Board of Directors met following the regular meeting to discuss making a contribution to the scholarship fund at Green Valley School, Waitsville, Vt., commemorated to Heidi Bunk. A unanimous vote of approval was given.

Jerrold Mason is interested in homing pigeons. He has two Belgian breed at present that were given to him. He has other carrier pigeons he has been training and eating for some time. Last year he raised little ones from these carriers which is a time consuming job if done right. He has taken them to some places and let them out. They fly back home. He has a clocking device which they, the pigeons, set off when they enter their homes again which announces the time they arrive home so he can tell how long it took them. They are racing birds. He has eight pair of these now. If you see any pigeons around don't hurt them, they might be Jerrold's friends.

Mr. and Mrs. Lee Swan, Mr. and Mrs. Willard Wight and Norman Duran went on a 25 mile round trip snowmobile ride through Grafton Tuesday and enjoyed a cook out.

The Windy Valleys Snowmobile Club will meet Thursday, Feb. 16, at 7:30 p. m. Plans for Sunday's ride to Rumford will be on the agenda as well as the March 11 cook out and ride for Horizon's residents. Anyone interested in riding with the group on Sunday, Feb. 19, please meet in Cliff Akers' field at 8:30 a. m. Refreshment committee for Thursday's meeting, Anne, Gil, Ginny and Sylvia I.

Newry Selectmen and Fergus Lea, of the Androscoggin Valley Council of Governments, met with Bethel Selectmen Monday, Feb. 6, to discuss the proposed Septic Waste Disposal Site, for the towns of Newry and Hanover, with the site to be used by Bethel on an emergency basis. Lea explained the application to be made to the D. E. P. and the proposed Inter-

local Agreement to be approved by the three towns, if the project is approved. The site would be in the Town of Bethel, approximately one half mile from the Bethel, Newry line, on land owned by Franklin Harrington and Stanley Roberts, and would be operated by Harrington, with the towns of Newry and Hanover paying Harrington an annual fee. Persons having tanks pumped would also pay a fixed fee per load for dumping, and use would be limited to the three towns. Pumps would be licensed by each town. Harrington and the towns would enter into a long term agreement, with a clause which lets Harrington stop operations after the first year if not satisfactory. Before the site can be put into operation, it would have to be approved by the towns at town meetings. Minor problems would be handled by Harrington and the town involved. Although no serious problems were anticipated in the operation of the site, if approved, it was recommended that should such problems arise, they would be handled by an arbitration board, comprised of two selectmen from each of the three towns.

tending besides the honored guest and hosts were: Mr. and Mrs. Frank Lowell, Mr. and Mrs. Tim Powers, Cindy Belanger, Mr. and Mrs. Stanley Moore, Ivan & Edith Morey, Fred Williams and friends, Rhode Island, Stanley Williams and John Swan, Marlene Powers made and decorated the checkerboard birthday cake. Refreshments were served. The honored guest received gifts.

rough review of all items, the Committee voted to recommend a total budget of \$230,373.92 or \$4,250 less than requested. The Committee voted to recommend \$2,500 for General Assistance against an original figure of \$3,750 and to use \$7,500 instead of \$10,500 of General Revenue Sharing funds for the purchase of a replacement police cruiser.

Combining the recommended cuts of \$4,250 with recommendations on specific warrant articles and using known costs for education and the county tax, the Transition Period tax rate is estimated to remain the same as in 1983.

A noteworthy accomplishment is the fact that the Transition Period budget recommended to voters by the Committee includes the first step at a systematic capital improvement program focusing on: (1) converting the present Highway loader for Landfill compactor use and purchasing a replacement loader for Highway use; (2) purchasing a replacement police cruiser; and (3) to continue renovations to the interior and exterior of the Cole Block as recommended by the architect and the Facilities Committee. In addition the Committee voted to recommend the use of \$46,889.18 in General Revenue Sharing funds and \$60,000 from unappropriated surplus to reduce the amount to be raised by taxation.

Selectmen's Meeting

In a special meeting Monday evening, Feb. 13, in the Town Office Meeting Room, the Board of Selectmen, in addition to acting on the warrant articles alluded to above, voted to recommend original figures for General Assistance (\$3,750) and the replacement police cruiser (\$10,500 from General Revenue Sharing). The Board reasoned that, if the winter weather continues to be harsh, it would be better to have a small cushion in the General Assistance account rather than risk a Special Town Meeting to cover overruns. With respect to the police cruiser, the Board would prefer to keep the option open to "piggy-back" the Town's bid together with the county or large municipalities such as Lewiston-Auburn who purchase a number of cruisers each year. On other articles, the Board voted concurrence with the Budget Committee recommendations and also voted to include an article for the enactment of an ordinance entitled "Town of Bethel Street Opening Ordinance" designed to protect the Town against street damages resulting from improper excavation work.

Notes

- Moose hunting applications are available at the Town Office.
- Snowmobiles are requested to remain clear of the public skating rink since it ruins the surface for skaters and results in extensive work of volunteers to make repairs.
- The next regular meeting of the Selectmen will be at 7 p. m. Monday, Feb. 20, in the Town Office Meeting Room.

SELF-CARE FOR SENIOR CITIZENS

Older Americans have a strong desire to maintain health, social well-being, and the capacity for independent living. In three years of development and evaluation by the Dartmouth Institute for Better Health at Dartmouth Medical School, a self-care education program titled "Self-Care for Senior Citizens" is being offered to the elder population of our community. The aim of the program is to promote elder's intelligent self-reliance in health and social service areas. The goal is to help older persons enable themselves to achieve better physical and mental health, make judicious use of the health and social service system, and maintain the capacity for independent living. The specific objectives are to educate older adults in medical self-care, personal prevention, and appropriate use of health and human services.

Sponsored by the Bethel Area Health Center and S.A.D. 44 Adult Education, this program will be offered in Bethel in early March. (Date, time and place to be announced in later news releases.) Facilitator for the course is Muriel Whitney, R. N., Area Case Manager for Western Older Citizens; instructor will be Janet Stowell, R. N., visiting nurse of Androscoggin Home Health Services; and Co-ordinator is Shirley Powell, Executive Director of the

SCHOONER FARE TO PERFORM IN RUMFORD FEBRUARY 25

Audiences along the coast and inland to Lewiston and Augusta have enjoyed the music and fun of Schooner Fare for several years. Now, finally, they are coming to this area, sponsored by the Rumford Association for the Advancement of the Performing Arts (RAAPA).

Schooner Fare is three voices that usually sound like five or six, banjo, 6 and 12 string guitars, bass and penny whistle, all blended with great care to give a memorable performance. The members of Schooner Fare are brothers Chuck and Steve Romanoff and Tom Rowe. Their warmth, humor and love for what they are doing combine with exceptional talent to win them new followers everywhere they appear. Although they are in demand in Boston and New York and recently performed in Washington, D. C., Maine is home and it is here that they choose to spend most of their time.

Their joy in performing and their pride in doing it well are communicated to the audience in everything they do. Whatever your preference in music, you will find much to enjoy in the Schooner Fare concert being presented on Saturday, Feb. 25 in Rumford High School's Music Auditorium. Tickets are available at Bernadette's, Nonway; Calico Patch, Farmington; Dave's General Store in Andover; Electric Shop, Rumford; Log Cabin Craftworks, Dixfield; Needle in My Hand, Wilton; Sunday River Ski Area, Bethel and from RAAPA members. You may reserve tickets by calling 364-8420.

Come share "the excitement of adventure, the romance of the sea and the intimacy of a ballad sung out of love."
